**Description****THE BEST VALUE IN BOATING JUST GOT BETTER**

The 21 H2O outboard combines everything great about the 21 H20 with the power, performance, and quality of a Yamaha Outboard. Coupled together, this makes a combination that's hard to beat. Saltwater or Freshwater, this outboard powered 21 footer is guaranteed to impress. Quick to plane, full of power and full of all the standard features that set Chaparral apart from the rest. Wrap around backrests, thoughtfully placed grab handles, stainless cup holders, and two speakers make the bow of the 21 H20 the place to be. With plenty of storage underneath the seats, and a dedicated locker for the anchor and line, the bow of the 21 is functional and comfortable.
