Description

The incredible 247 SSX packs more elegance, performance and innovation than family boaters have ever experienced at this widely popular length. There's no mistaking that the style lines, attention to detail and efficient use of space is SSX at its very best. Compared to other luxury bowriders in this popular size range, the 247 has a clear cut edge when it comes to seating capacity, legroom, storage space and performance. Equipped with Dual Simrad 7" displays capable of a wide variety of functions, the 247 SSX encapsulates the importance of providing the best tools possible for all of your navigation needs. Visibility of real time engine functions and accessibility to essential controls has never been easier.

UNIQUE KEY FEATURES:
