Description

2026 Chaparral 21 SSi OB

When outboard power is paired with the **21 SSi**, excellence is guaranteed. Designed to elevate every moment on the water, this model offers a range of premium options including **snap-in SeaDek cockpit flooring**, a **swim platform mat**, and the impressive **Velocity Folding Arch Tower**.

Thoughtfully engineered storage solutions ensure there is space for all your gear, while **ultra-comfort seating** provides outstanding support for long days afloat. Combined with a premium stereo system, the 21 SSi delivers an onboard experience that truly redefines luxury, comfort, and performance on the water.

Peak Performance

Framed within an all-new helm design featuring a custom hand-stitched brow, the integrated **Simrad GO7 touchscreen display** delivers the information and control you need for an exceptional day on the water. Designed for clarity and ease of use, this advanced system enhances both navigation and onboard awareness.

With a responsive engine data display, detailed mapping software, and convenient split-screen functionality, the GO7 provides seamless access to essential information at a glance. Perfectly suited to the **21 SSi OB**, it combines modern technology with refined styling to elevate performance, confidence, and enjoyment on every outing.

Everything that has made Chaparral’s renowned SSi Series a standout on the water is taken to the next level in the impressive **21 SSi OB**. Larger, more refined, and packed with thoughtful features, this model perfectly balances sporty performance with family-friendly versatility.

The 21 SSi OB's sleek styling immediately turns heads, but its appeal goes far beyond looks. True to Chaparral’s DNA, it features premium stainless steel hardware, durable composite seat bases, an advanced cockpit drainage system, an Extended V-Plane running surface for enhanced performance, and a molded fiberglass dash for a clean, high-quality finish.

Onboard, comfort and practicality shine. The spacious bow offers wraparound seat backs for added relaxation, while a forward anchor locker keeps equipment neatly stored. With generous seating and a well-designed layout, the 21 SSi OB ensures there’s room for everyone to enjoy a confident, smooth, and stylish day on the water.**N**

Seamlessly blending advanced technology with refined craftsmanship, the helm is designed for both performance and ease of use, ensuring safe navigation without sacrificing style.

Ergonomically designed and beautifully finished, the helm ensures effortless control while keeping you relaxed and supported — elevating every journey, from leisurely cruises to high-performance runs.
