Engine:	Mercruiser
Power (HP):	600 - 760hp

Description**Chaparral 347 SSX**

The amazing 347 SSX offers the most demanding of boaters the best of both worlds with a supersized bowrider layout and a full-beam enclosed cabin. We've never built a boat more versatile or impressive than the 347 SSX. Massive seating capacity. Luxury appointments. Clever features. Go anywhere performance. But the real magic of Chaparral innovation happens when you open the port side entry door and discover a space defying lavish full beam cabin. While most rivals at this length settle for a split beam design where neither area satisfies, the 337's unified cabin comes complete with an entertainment console, enclosed head and overnight accommodations for two.
