## Description

### Finnmaster Pilot 6 Cabin - 2023

The Finnmaster Pilot 6 is a stylish, modern, and sensible [cabin boat](#), which is perfect for, e.g., weekend boat and fishing boat. This motorboat offers a stable and safe voyage in both inland waters and at sea, as the boat's sturdy hull works flawlessly even in demanding conditions and guarantees excellent performance and driving experience. Thanks to the large windows, the wheelhouse is bright, and the visibility in all directions is excellent. The generous equipment includes a cozy dining set with teak table, sleeping berths for two adults, and the galley can be equipped with a cooker, and a drawer refrigerator. Thanks to the walkthrough layout, it is easy and safe to move in the boat. Functional open deck areas at the stern and bow are ideal, e.g., for the carriage of goods.
