Description

Finnmaster T6 Day Cruiser - 2027

The Finnmaster T6 Day Cruiser is clearly as beautiful, fun and practical as its big sisters in the T-series. But in the T6 you get more boat in a smaller size. It's versatile with a cockpit sofa seating for even a large group and it can easily be converted into a comfortable sundeck for those sunny days. The short bow, the stylish hull graphics and the modern LED docking lights finish the overall sporty impression. The sturdy hull guarantees excellent maneuverability for versatile and safe boating.

Prices start with the lowest spec engine which is a Yamaha F130.

Engine range 130 - 200hp
