Description

Finnmaster T8 Day Cruiser - 2027

Sometimes, you shouldn’t have to compromise. Your boat can be sporty and comfortable all at the same time. For this reason, we left nothing out when we created the pride of the Finnmaster T-series – the Finnmaster T8. This luxurious boat combines unique driving features, our distinguished Smart Design solutions and quite simply the best materials. We have brought together decades of know-how to create an uncompromising model for those who want the best. This award-winning and versatile day cruiser lets you go from having dinner with the whole family to rapidly and easily transforming the dining area into one of the harbour’s most beautiful sundecks. When the sun has finally set, the whole family can spend the night in the large cabin, which is equipped with a separate toilet unit.

Starting Package comes fitted with a Yamaha F300

Optional engines: Yamaha F300

For Trailer options please call us as we supply Full UK road legal trailers and offer launching trailers also.
