Description

R5 Husky Boats By Finnmaster

In the Husky R5 aluminium boat we have packaged all the essentials required for a boat you need for a day out on the sea. Our trademarks such as perfect boarding steps, high free board, practical fender baskets, plenty of storage space are found in this aluminium boat. The Husky R5 aluminium boat has an open foredeck which is perfect when you need to pack along everything needed for a long weekend at the summer cottage or if you want to go fishing. The high windscreen and the comfortable offshore seats together with the comfy aft sofa guarantee that all passengers will have a pleasant journey even in rough weathers. The Husky R5 aluminum boat is equally practical as it is easy to maintain and will be a great and versatile partner.

Base boat apckage comes with a Yamaha F70
