The R200 Way, Way Ahead Of The Pack

Sit down and make a checklist of exactly what you want in your next boat, sport, fish, utility? A headache free buying experience. Check. A space efficient interior design including an enclosed head/toilet. Check. Reputable, quality time-tested name brand from Chaparral. Check. Efficient overall performance. Check. One ride and you'll agree that the sensational R200 can turn anyone's wish list into reality. Powered by Yamaha from 150 to 200 hp, the R200 offers an overall package rivals can't touch. Extensive rod storage, a multi-purpose interior, a powder coated leaning post (optional), stainless steel hardware and Robalo's award winning style lines rank the R200 as a first-rate long range sport/fish utility boat. Well equipped, the R200 can also be customized with key options including a ski tow pole, T-top, trim tabs, a porta-pottie and Command Link gauges.
