## Description

The next big sensation

Saxdor 270 GTO was designed using the Saxdor signature—the light and soft-riding twin-stepped hull—the Saxdor 270 GTO delivers speed performance and fuel efficiency well-known from the earlier models. Very deep V entry of the inverted bow reduces external impact, improving overall boat stability and enhancing the driving experience. Light and strong construction, built using vacuum infusion technique, gives you a watercraft that is trailable, and easy to launch and recover.

Standard includes:

Vacuum infused hull, Bow handrails, Anchor storage, Navigation and anchor lights, Lewmar flush hatch in front cabin, Front cabin ventilation, Cupholders in bow area, Side windows, Bow fashion stainless plates, Hull stripes, Electrical wipers for windscreen, Horn, 8 x cleats, Soft painted console panels, Leather steering wheel, Cupholders on console, Map pocket, Front cabin sliding door with lock, 5 x separate seats, Harbour cover for console and front seats, Stainless steel bumper list, Bathing ladder, Aft handrails, Fender and mooring storages in aft, Flag pole fitting, 3 x automatic bilge pumps, 1 x manual bilge pump, NMEA2000 network, EPA certified fuel lines with tank, Mercury vessel view mobile, Anti skid deck.

Standard in Cabin includes:

Front deck side windows, Full length 2 persons bed, 3 x cabin lights, Reading light, Seat cushion, Upholstery panels for cabin walls, Cabin cabinet, CO2 monitor.
