The Saxdor 340 GTWA sets a new standard in design and functionality for all-weather boating. This walkaround model seamlessly blends open-air enjoyment with protected comfort, offering a secure, weatherproof space that keeps you sheltered in all conditions. Equipped with lightweight, robust

vacuum-infused construction and a two-stepped deep V-hull, it combines exceptional seafaring qualities with efficient fuel consumption, ensuring a smooth, high-performance driving experience.

As the only wheelhouse walkaround model of its size featuring large side terraces, it offers expansive walkways and a vast open area, facilitating ease of movement and relaxation when opened. The spacious bow sofa and aft deck sunbed provide delightful spots to unwind and enjoy the breeze.

The bright wheelhouse, with large glass sliding doors and roof, invites an abundance of sunlight while further enhancing the ease of movement. The ergonomic helm station features a front sofa for three, ensuring great visibility and comfort. While at rest the sofa can be turned to create a cozy dinette, perfect for indoor socializing.

The lower deck includes a spacious forward double cabin with a separate toilet, and an aft cabin for two, both with large windows that flood the interior with natural light.

Enjoy uninterrupted time on the water with the Saxdor 340 GTWA Walkaround, no matter the weather.
