Description

SUPER-SPACIOUS 40-FOOTER

The new Saxdor 400 range will provide far more space and versatility than you could imagine to for a 40-footer. In addition to all that user-friendly day space, there’s a forward double cabin and separate bathroom, each with standing headroom of more than 6ft.

The wheelhouse extends to the full beam of the boat, maximising internal living space and offering direct access to side terraces, a unique design feature that enhances the functionality of the balconies and creating a private island experience while at rest.

The lower deck accommodates a spacious forward double cabin, a separate bathroom, an option for a kids’ cabin and an amidships double cabin.

All of it executed with impeccable design and a sense of style, making it such a pleasure for the eye.
